

Nozzle caps

Bayonet caps for bayonet systems

¹⁾ Part no. for colour code ... XX =

... 10	... 15	... 20	... 25	... 30	... 40	... 50	... 60	... 80	... 91
--------	--------	--------	--------	--------	--------	--------	--------	--------	--------

Part no.	cap / slot	fits nozzle type			
116402900XX ¹⁾	8 mm 				
		SprayMax	Albuz® AXI	AirMix®	Albuz® CVI
116402901XX ¹⁾	11 mm 				
		Albuz® APE Albuz® APG	Albuz® AVI	Albuz® EXA/ESI	
11640290491	round hole, black				
		DT	DC		
11640290591	ATR ²⁾ , black				
		Albuz® ATR	Albuz® TVI		
11640290991	bayonet cap blind, black	closure of nozzle holders			
00540291001	1/4", black	female thread 1/4" NPT			
00540291201	1/8", black	female thread 1/8" NPT			
057152601TC	double flat fan cap	SprayMax	Albuz® AXI	AirMix®	Albuz® CVI
05715RAUTC	double flat fan cap RAU bayonet system	SprayMax	Albuz® AXI	AirMix®	Albuz® CVI
11640290601	asymmetric double flat fan cap	SprayMax			
11640290602	asymmetric double flat fan cap	AirMix®			

²⁾ When using ATR/TVI nozzles in the ATR bayonet caps the use of a special o-ring is recommended for best sealing, see washers below

Part no. 116INJ-VER Extension adaptor for standardised bayonet cap
Using the adapter could avoid that shorter standard nozzles spray at spray boom

Part no. 116INJ-UNI Bayonet adaptor
Converts all screwed caps or caps using not standardised systems into standard bayonet systems. Assembles as TurboDrop® universal. Ready assembled adaptors are available for different cap systems

Washer

Part no.	
116402200.040	Standard washer 3 mm
116402300.040	Washer 2.8 mm for easy fitting
005402200.040	Washer 3.4 mm for tight fitting and for caps 00540291001 and 00540291201
116402201.040	Washer 1 mm
11600001	O-ring for ATR/TVI nozzles
11600200	Special washer when changing from ATR to AVI nozzles
OR-15x11x2	Special washer for threaded nozzle holders/caps

Nozzle holders

A = outlet thread or SB = standard bayonet

Bar = max. pressure (bar)

D = pipe outside diameter

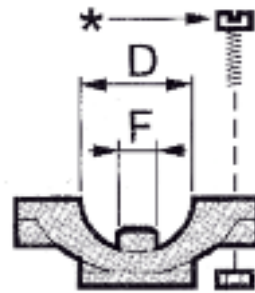

E = inlet thread, i = female, a = male

F = diameter

M = material, KS = plastic, MS = brass

S = screw type

2 = two slotted screws M6 incl. nuts

Part no. S10010 zinc

Part no. S10058 stainless steel

Nozzle holders for different threads

Part no.	E	A	Bar	M
164G3/8-M11x1	M11x1 i	G 3/8" a	50	MS
164G1/4-G3/8	G 1/4" a	G 3/8" a	50	MS
164G141116	G 1/4" i	11/16" a	50	MS
116MS11/16	G 1/4" a	11/16" a	50	MS
164-M1/4-3/8	G 1/4" i	G 3/8" a	50	MS
005004702	G 1/8" a	G 3/8" a	50	MS
UBS001	Ø 6 mm	G 3/8" a	10	KS

Single swivel nozzle holders

Part no.	E	A	Bar	M
005404072	G 1/4" i	SB	10	KS
005404082	G 3/8" i	SB	10	KS
005404070	G 1/4" i	G 3/8" a	10	KS
005404080	G 3/8" i	G 3/8" a	10	KS
005004750	G 1/4" a	G 3/8" a	15	MS/KS

Double swivel nozzle holders

Part no.	E	A	Bar	M
005404172	G 1/4" i	SB	10	KS
005404182	G 3/8" i	SB	10	KS
005404170	G 1/4" i	G 3/8" a	10	KS
005404180	G 3/8" i	G 3/8" a	10	KS
005004760	G 1/4" a	G 3/8" a	15	MS/KS
