

Washer

Part no.	
116402200.040	Standard washer 3 mm
116402300.040	Washer 2.8 mm for easy fitting
005402200.040	Washer 3.4 mm for tight fitting and for caps 00540291001 and 00540291201
116402201.040	Washer 1 mm
11600001	O-ring for ATR/TVI nozzles
11600200	Special washer when changing from ATR to AVI nozzles
OR-15x11x2	Special washer for threaded nozzle holders/caps

Nozzle holders

A = outlet thread or SB = standard bayonet

Bar = max. pressure (bar)

D = pipe outside diameter

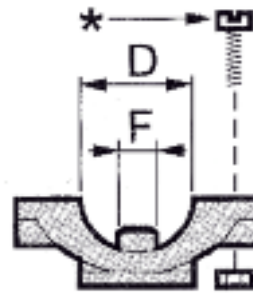

E = inlet thread, i = female, a = male

F = diameter

M = material, KS = plastic, MS = brass

S = screw type

2 = two slotted screws M6 incl. nuts

Part no. S10010 zinc

Part no. S10058 stainless steel
